Abstract

State-of-the-art network architectures ensure fast and dependable real-time communication with abundant data and minimal delays [...]

Original language English

Article number 3990
Number of pages 2
Journal [Electronics](#)
Volume 12
Issue number 19
Early online date 22 Sept 2023

DOIs • <https://doi.org/10.3390/electronics12193990>

Publication status Published - Oct 2023
